

Product Change Notification – Minor change

PCN #: PCN22-0079		Rev: 1.0	Issue Date: August 16, 2022
Purpose of notification: Addition of UL mark for selected Swissbit NAND Flash products			
Type of notification: Minor change, for informational notice only			
Detailed Description: Swissbit received the UL certification for various SATA product series. For the products manufactured according to the UL requirements, Swissbit will implement the UL recognized component mark on the label. Where the label does not allow for direct marking, the UL certification confirmation can be found in the regulatory compliance overview of the data sheet. The material of the label does not change. In addition, the change has no impact on the functionality, reliability or compatibility of the products.
