## PRODUCT CHANGE NOTIFICATION

PRODUCT  
CHANGE.

ID-No.:000476866

Ladies and Gentlemen,

We would like to inform you about the change of the terminals of our transformers:

### DESCRIPTION OF THE CHANGE

Due to product developments, the transformer terminal block with the cage clamp technology will be replaced by a new terminal block with the PUSH-IN method in the future.

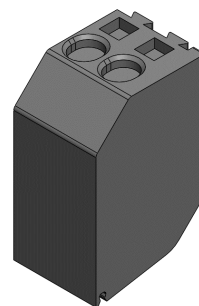

With the introduction of this new connection technology for the transformer sector, the color scheme of the terminal blocks will also change. With the introduction of the push-in terminal, only black terminal blocks will be attached to the transformers.

### PARTS

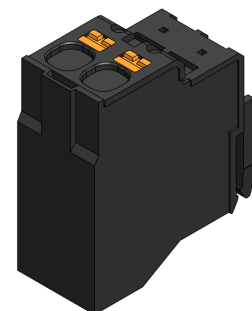

Both transformers from the following standard series and the customer-specific solutions assigned to the series are affected by this change:
