

15-Sep-2022

**PCN #:** P-22-023373

**Subject :** 025 SERIES CONNECTOR

**Description of Change :** Add source of housing resin, No any changes on the products which impact to form / fit / function.

**Reason :** Document clarification. Dear Customer, this is a notice about adding source of housing resin for business contingency purpose. An internal release based on TE specification will be executed before any delivery to assure no negative influence on quality and form-fit-function of the concerned products. There will be no change in the component and final product manufacturing or shipping location. These PNs are TE proprietary designs and considered catalog/general market products. A Level 1 PPAP and/or sample will be submitted upon request via TE Sales Representative. Submission will not occur without request. PPAP disposition response is required within 14 days of submission date or it will be considered approved.

**Key Dates :**

**Contact By Date:**01-Dec-2022

**Implementation Date:**01-Dec-2022
