Replacement gasket with nylon strap reduces dust and debris entry around Klein Tools Full Frame Safety Glasses. Klein Professional Full Frame Safety Glasses (Cat. Nos. 60470 and 60471) are high-quality protective eyewear that feature an anti-fog coating that won't wear off, scratch resistant lenses, and a Gasket already installed. This replacement gasket will work with these safety glasses and can be an addition to your safety gear. Kit comes with gasket and adjustable nylon strap.
