Description and purpose of change:

In line with the adoption of industry standards, Würth Elektronik will be adding a layer of insulation tape to the core of all WE-UOST parts.

All products with date code 2023-02-11 or later, will be affected by this change.

There will be no change in fit, function, or reliability of the product.

Detail of Change:

One layer of insulation tape will be added to the core.

Before	After
Core insulation tape: 1 layer	Core insulation tape: 2 layers

After:

Reliability / Qualification Summary:

Product approval is according to the specification criteria and is internally released by the Product Management Department.
