Updated Marking -packaging & product for Board Mounted Products (BMP) DC-DC

Dear End-Customer or Sales Channel Partner,

We are writing to you because our records show that you have bought BMP series within the last 2 years.

During Q3 and Q4, 2022 we standardized our labels and packaging for Board Mount Products

Standardized product and packaging labels: - (see sample photographs on next pages)

- 1. Standardizing label size on BMP product, removing Safety logos as already on packaging labels.
- 2. Removing MSL card and printing MSL information on bag instead.

If you have any questions, please do not hesitate to contact your Bel sales or customer service representative.
