

3M™ E-A-R™ UltraFit™ Earplugs 340-4017, Metal Detectable, Corded, Econopack

3M ID 7000052725, UPC 10080529400489, 3M Product Number 340-4017

Specifications

Attenuation Rating	25 Decibel
Banded	No
Brand	E-A-R™
Case Quantity	2000 Pair
Color Family	Blue
Cord Color	Blue
Corded	Yes
Cord Type	Vinyl
CSA Class	CSA Class AL
Dielectric	No
Dispenser Available	No

Earplug Color	Yellow
Earplug Material	Elastomeric Polymer
Earplug Shape	Flanged
Earplug Size	Regular, Regular
Electrically Insulated	Yes
Hearing Protection Style	Corded
Hearing Protection Type	In-Ear
Insertion Style	No Roll
Material	ABS/Elastomeric Polymer
Metal Detectable	Yes
Moisture Resistant	No
Packaging	Poly bag
Product Color	Blue
Product Series	E-A-R UltraFit
Product Type	Earplugs
Recommended Industry	Food Industry, Food Safety
Reusable	Yes
Roll-Down Required	No
Shape	Multi-flange
Size	One Size Fits Most
Slow-Recovery Foam	Yes
TDS Required	Yes

The right fit test. Right now.

3M™ E-A-Rfit™ Dual-Ear Validation System

The 3M™ E-A-Rfit™ Dual-Ear Validation System assesses the amount of attenuation provided to a user of hearing protection.

Features:

- Dual-ear testing
- Fast, clear accurate results

- Earmuff and earplug testing capability
- Tests 7 frequencies on both ears simultaneously
- Seamless software integration
- Science-based, quantitative testing
- Compact design
- Compliant with ANSI/ASA S12.71-2018
