Minifit Jr

- Brass square wire 80014201 which is being used in Minifit Jr is being imported from Accurate Wire USA.
- This supplier is running with very severe capacity & manpower shortage, and they are struggling to meet the current demand. Molex India has been facing multiple delivery issues & inconsistent supply lead time for the past 2 years.
- Situation is getting worsened further when supplies are further affected by logistics issues from US to India. This results in shipment delays, line stoppages and huge premium freight.
