

Product Change Notification

PCN Date:	Jan 14, 2023	
Supplier Name:	Pulse Electronics	
Pulse PCN No.	23-001	
Description of Change	<p>Move all products manufactured in Suining factory to new location located in the same city. New location provides for larger production area to facilitate further capacity growth. New factory is less than 3km away from old one. There will be No change to fit, form or function of the parts. There will be No change in people, production equipment, materials or manufacturing processes.</p> 	
Reason for Change	<ol style="list-style-type: none"> Increase in customer demand requires larger production area to facilitate further capacity growth. Classify and consolidate products by family and optimize current manufacturing process to ensure better quality of products. 	
Summary of Changes between the new and old part	<p style="text-align: center;">Before</p> <p>Address: Electronic Industrial Park, Dequan Road, Economic Development Zone, Suining, Sichuan, China 四川省遂宁市经济技术开发区德泉路电子工业园 Area: ~10,000 square meters</p> 	<p style="text-align: center;">After</p> <p>Address (temporary name): Qifeng Industrial Park, Zhonghuan Road, Economic Development Zone, Suining, Sichuan, China 四川省遂宁市经济技术开发区中环线栖凤工业园 Area: ~25,000 square meters</p> 
Traceability guidelines	<p>By date code (running change). Product from: MPO1 are identified by the letters "M1"; example: 2130 M1</p>	
Datasheet attached?	<p>No change for product datasheet. Datasheet can be downloaded from Pulse website of below or acquired through Pulse sales representative.</p>	

	Pulse Electronics – A world-wide leader in electronic components	
Qualification Data attached?	Qualification test will be done by products family as per schedule and it can be submitted as required.
