

## **DATAVAC® PRO SERIES TONER VAC & MICRO CLEANING TOOLS**

- Well run offices know that computer downtime and repairs cost dearly. With DataVac® you can keep your equipment always running cleanly and efficiently.
- Perfect for cleaning all types of office equipment: from micros to mainframes, laser printers, copiers, fax machines, disc drives, calculators, electronic typewriters, automatic teller machines and more.
- These hi-tech vacuum/blowers have plenty of power for the toughest jobs yet are sensitive enough to pick up the most minute particles.
- The toner filter system picks up dangerous toner spills from laser printers and copiers and is 99.9% efficient on particles to .3 microns.
- New Micro-Cleaning tools and Snorkel-Probe attachment sweep up and blow away trouble fast.
- DataVac® is environmentally friendly. It traps and removes harmful pollutants before they are expelled into the atmosphere.
