PRODUCT DATA SHEET

Product	Quick Dry Indoor Danish Oil
Type	Rustins Indoor Danish Oil is a unique water-borne blend of natural plant oils and other special ingredients to nourish and protect all types of timber. The plant oils originate from sustainable sources and are used largely to replace crude oil derived components used in synthetic resins. The oil dries with a satin finish.
Intended Use	For all interior bare wood, doors, joinery, and indoor furniture.
Special Features	Brings out the natural beauty of wood and veneered surfaces, gives a natural open-grained low lustre finish. Easy to maintain. Conforms to Plastic materials and Articles in contact with Food (England) Regulations 2008.
Preparation	The wood must be clean, smooth, dry and free from wax, dust and contaminants. Remove wax by scrubbing with White Spirit or Rustin's Surface Cleaner and a scouring pad, then wipe away whilst still wet with clean rags. Existing paint and varnishes should be removed with Rustin's Strypit Paint and Varnish Stripper. Bare wood may be dyed before coating with Rustin's Wood Dye .
Application	Apply liberally with a clean rag or brush and wipe off the surplus oil after a few minutes. The first coat should be applied liberally with a brush and allowed to dry without wiping. Nibs may be removed from the final coat by applying the oil with a scouring pad, rubbing in the direction of the grain, then wiping away the surplus with clean rags or paper kitchen towels.
Coats	Bare wood requires 3 coats.
Drying Time	2-3 hours depending on temperature and humidity.
Re-coating Time	Re-coat once the previous coat is dry.
Application Temp.	Ideally 15-25°C, do not apply below 10°C or on exterior surfaces if rain is expected.
Coverage	About 13sq.m per litre, 1 coat, depending on the absorbency of the wood.
Maintenance	Periodic re-oiling is required. Clean surfaces before re-oiling using mild detergent and warm water.
Compatibility	Indoor Danish Oil may be used over the following Rustin's products: Wood Dye , Grainfiller , and Woodfiller . Rustin's Polyurethane Varnish may be applied over Rustin's Indoor Danish Oil at any time. The surface must be clean before varnishing.
Shelf-life/Storage	Many years if stored in original, tightly closed container in normal cool, dry conditions.
Hazards	Keep out of reach of children. In case of contact with eyes rinse immediately with plenty of water and seek medical advice. After contact with skin wash immediately with plenty of water. Wear suitable protective clothing and gloves. Important: Rags used for oiling should be laid out flat to dry; otherwise they may catch fire due to spontaneous combustion.
Clean-Up	Clean brushes with warm water and detergent whilst wet, if dried on, clean brushes with Rustins Brush Restorer .
Sizes	500ml 1litre
