NAC3FCB-D	NAC3FXXB-W-S-D NAC3FXXB-W-L-D

### Discussion:

The replacement products offer next-generation design with IEC 60320-1 compliance and breaking capacity (CBC) with NAC3MPXXA\* / NAC3MPXXB\* chassis connectors.

- S versions accommodate cable outer diameters (OD) of 6 - 12 mm.
- L versions accommodate cable outer diameters (OD) of 10 - 16 mm.

The replacement products offer an attractive, two-compound housing, weather resistance at the rear cable outlet, a revised strain relief that locks to the insert, and other significant improvements.

#### Form, fit, and function compatibility:

The replacement products are form, fit, and function compatible to the discontinued products while offering new benefits.
