

TOOLBAG PRO

Professional tool bag with space for productivity

raaco ToolBag Pro and Tool Trolley Proff have a practical, spacious, and open design, which gives a good overview and easy access to the content. It's easy to maintain order and keep the tools you require to hand – get the work done quickly and efficiently.

They bags are made of hard-wearing, tough plastic and polyester and comes in different sizes and therefore meet different requirements, depending on what tools and accessories you need to transport and use in your workplace.

THE GLOBAL GOALS

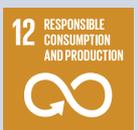

For Sustainable Development

Since 1956, raaco has developed and manufactured innovative and durable storage systems, which are designed for order and overview - this saves time, space and money.

With a wide range of mobile and stationary storage systems and, where products can be used across systems, it helps to create a more efficient working day for professional craftsmen.

raaco has its own production in Denmark and supports the principles of UN Global Goals. The company works continuously on various environmental projects with focus on:

- 3 › Good health and well-being
- 9 › Industry, Innovation and Infrastructure
- 12 › Responsible consumption and production
