

10-Mar-2023

**PCN #:** P-23-024238

**Subject :** Hollow Shaft Resolver V23401-\* Family ( size 21 )

**Description of Change :** This product change notification is related to TE connectivity size 21 Resolvers having Ni material as part of the stator transformer. To ensure component availability, there will be a second source of equal performing sintered material implemented in addition to the existing. There is no change in resolver manufacturing process, product form, fit and any technical functions of the products. Please don't hesitate to contact your TE representative in case of any questions.

**Reason :** Product improvement.

**Key Dates :**

**Contact By Date:**12-Jun-2023

**Implementation Date:**12-Jun-2023

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
