

Illinois Capacitor Product Change Notification

Issue Date: March 7, 2023

Series Affected: DGH, DSF, VMF, and VPF

Effective Date: Q1 2023

Description of change:

The logo on the sleeving of super capacitor series DGH, DSF, VMF and VPF will be updated to the Cornell Dubilier logo. The capacitor sleeves will have the IC logo removed and the CDE logo added in its place.

All part numbers will remain the same and there will be no changes to the electrical specifications, mechanical specifications, or part performance.

The two logos are as follows:

 - Current Logo

 - New Logo

Effective Date:

Changes are effective immediately and it is possible you will receive shipments with both the IC logo and CDE logo.

Please advise your incoming inspection department of this change.

Thank you,

Ann Larson

Product Manager
