

Product Discontinuation Notice 2023-06.USA

Neutrik is discontinuing the following products.

After the last-time buy date, inventory will be limited to stock on hand and on order at Neutrik Americas.

Product line:	silentPLUG (straight versions)	PDN Date:	23-March-2023
		PDN-No:	2023-06.USA

Reason for discontinuation:	XX series successors
-----------------------------	----------------------

Last time buy date:	31-March-2023 (factory orders); inventory after that date will be limited to stock on hand and in transit to Neutrik Americas
---------------------	---

Affected product and replacements:

Neutrik p/n being discontinued	Direct replacement	Alternative product
NP2X-AU-SILENT	NP2XX-SILENT	
NP2X-AU-SILENT-D	NP2XX-SILENT-D	
NP2X-SILENT-L-D	none	NP2XX-SILENT-D plus BPX-L

Notes:

The replacement products are form, fit, and function compatible to the discontinued products.

With its new design and comfortable grip zone, the new XX-series silentPLUG is easier to handle and better protected against shocks and impacts than the prior design. The new two-component housing features soft, slip-proof grip zones using red color highlights which have always been distinctive to silentPLUG.

The right-angle NP2RX-AU-SILENT is not changing at this time.
