Compliant**

Description

The multicomp PRO MP010404 is a tool for stripping and prepping coaxial cable in the tightest places, such as MDU boxes, wall plates and most tight places.

Strip Configuration:

General Properties

- Eliminates the need to run new cable when the short stub-in is just out of reach.
- Rotates in a natural screw driver type motion.
- Will not nick the braid or score the center conductor.
- Made in the USA.
