Product Change Notification (Cable description change)

Dear valued customers

This is to inform you formally that a product change will be made to the following products.

1. Products affected

PA-860/PA-850/PA-868/PA-858/PG-30/PG35(L /H)

PS85/PS30/PS40/PS60 All Series

2. Description of change

Description on the wiring cable used for those mentioned sensors will change. The change is slightly different, dependent on the production site.

Production site	Before	After
Ibaraki (Japan)	* * * * HITACHI-T * * * *	* * * * * PROTERIAL-T * * *
Suzhou (China)	* * * * HITACHI * * * *	* * * * * PROTERIAL * * * *

3. Reason for change

The current supplier of wiring cable, *Hitachi Metals Ltd*, announced to change its own company name from *Hitachi Metalics Ltd* to *Proterial, Ltd.* as the result of withdrawing from Hitach group. Because of this change, the description on the cable is going to be changed accordingly.

4. Evaluation

Nidec doesn't conduct any evaluation since everything except for the description change remains exactly the same as before.

5. Implementation date

From April 2023 onward on a shipping basis (tentative)

The change is to be implemented promptly after the current stock runs out at *Proterial Ltd.* Please accept our sincere apology for inconvenience caused by this change. Should you have any questions, please contact your local sales representative/office for more details.
