## Product Change Notification

Dear valued Customer,

We have been informed by our vendor FSM on April 25, 2023 about the change of packing specifications

To summarize, Packing spec (specifically the printing design) of the target products of this PCN has been exclusively designed for Fujitsu. Since packing materials for them has been easily influenced by market conditions and stable procurement has become difficult, FSM will add packing spec, that can be generally applied, to those target parts after Oct. 1, 2023 shipment by removing the Fujitsu branding.

The variety of affected products is quite broad. Please find all details in the documents attached we have received from the manufacturer.

If you need further information, please do not hesitate to contact your KAGA FEI EUROPE GmbH contact. For testing samples please contact [pcn@eu.kagafei.com](mailto:pcn@eu.kagafei.com) only.

Yours sincerely / Mit freundlichen Grüßen,

KAGA FEI EUROPE GmbH
