

Keystone adaptor 25x50mm, angled entry faceplate adapter

Keystone adaptor 25x50mm, angled entry, faceplate adapter (KA45whje)

These 25 x 50 angled adaptors have been designed for use with “Euro” 25 x 50 faceplates and have a built in sprung, sliding dustcover

Features:

- Angled modules minimize issues with bend radius and are suitable for use with shallow backboxes or larger keystones
 - Window and paper labelling facility
 - Not suitable for keystones which protrude beyond the faceplate, such as fibre, ‘F’ type, speaker and HDMI connectors
 - Fitted with a sprung, sliding shutter, which minimizes the effect of dust
-
