

Product Datasheet

Product code: **TEK-SCOPE-PLUS**

Product type: HD inspection system

Made in: Sweden

Description: TEK-SCOPE-PLUS is a full high definition desk optical inspection system. The camera provides optical magnification of 46x (27" monitor), and digital magnification up to 460x (27" monitor). The built-in LED lights provide its users with shadow-free illumination. The large 310-millimeter working distance enables inspection of a wide variety of objects. TEK-SCOPE PLUS produces high quality distortion-free up to 1080p FHD images with no delay and with excellent depth of field.
