

Maxtor Maxline II 5A320J0 320GB ATA/133 IDE (PATA) 5400RPM 2MB 3.5" Internal Desktop Hard Drive

is designed to efficiently meet the need for capacity. With industry-standard capacity points, the **Maxline II** confirms Maxtor's leadership position in drive technology.

The **Maxline II 5A320J0 320GB IDE 3.5"** hard drive uses advanced, integrated electronics combined with numerous design innovations to achieve a wide range of capacity points, solid reliability, and quiet operation all at very competitive prices. As a result, the **Maxline II** is the premier choice for desktop, commercial and consumer electronic high capacity storage needs

Features:

- Type: Internal Hard Drive
- Form Factor: 3.5" Hard drive
- Capacity: 320GB
- Interface Type: PATA / IDE
- Data Transfer Rate: 133Mbps
- Spindle Speed: 5400 RPM
- Buffer Size: 2 MB

Specification:

Manufacturer		Maxtor
Manufacturer Part #		5A320J0
Data Storage	Formatted Capacity	320GB
	To/From Media	133MBps
Data Transfer Rate		133MBps
Buffer		2 MB
Seek Time	Average	13 ms
Rotational Speed		5400 RPM
Interface		DMA/ATA-133 (Ultra)
		IDE
		PATA
Dimensions (H x W x D)	Unit	4 in x 5.8 in x 1 in
Weight	Unit	1.3 lbs
