

Fluke Premium Care plans

Coverage that prevents unexpected downtime caused by damaged test equipment, accessories, or tools in need of calibration or repair.

Accidental damage and repair

Avoid costly repairs and rest easy knowing that any damage to your test tool is covered

Replacement of damaged accessories

Replace damaged accessories that could be affecting the accuracy of your test results at no extra cost

Annual tool inspection, calibration, cleaning, and updating

Ensure your test tool is providing accurate results and adheres to regulatory compliance by leaving it in the hands of our experts

Expedited calibration and repair

Skip the wait—your calibration or repair will be expedited so you can get back to your tool and work faster
