

Product Change Notification

Current Date: 05-Oct-2023

TE Connectivity

Product Change Notification: PCN-23-187522

PCN Date: 19-SEP-23

Customer: Premier Farnell UK Ltd. (1272836)

Location: Grace-Hollogne

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description: (Text limited to 120 characters)

IM relay series

Description of Changes

Manufacturing location change. The following Parts Numbers will be transferred from Evora, Portugal to Trutnov, Czech Republic.

Reason for Changes:

Dear Customer, We would like to inform you about a transfer of production. This will be executed using a strict transfer procedure, with no change to form-fit-function of products. The new location is under a certified Quality management system. To guarantee product performance remains unchanged, we will execute internal release based on our specifications before delivering parts. If you require samples for approval purpose or other support, please consult your local TE Sales representative.
