CR-Scan Ferret

Small Build, Great Capture

Compact Design

Dual Mode Scanning

ASIC Chipset

join the group

Eight advantages

Affordable

Compact design

Dual mode scanning

Asic chipset

Full color scanning

Easy operation

Outdoor scanning

Low power consumption

Product Parameters

Product Name: **CR-Scan Ferret**	Accuracy: **0.1mm**
Resolution/Point Distance: **0.16mm**	Single capture range: **560*820mm@700mm**
Working Distance: **150~700mm**	Minimum Scanning: **50*50*50mm**
Frame Rate/Scan Speed: **up to 30 fps**	Light Source: **NIR**
Outdoor Scanning: **Support Scanning in Bright Sunlight**	Tracking Mode: **Visual Tracking**
Color Texture: **Support**	Alignment: **feature/marker/color**
Machine Weight: **105g**	Output Format: **OBJ / STL / PLY**
Connection Mode: **USB 3.0/2.0**	Machine Size: **120*30*26mm**
Compatible System: **Android / Win 10/11 (64-bit) / * Mac OS** * Launched in June 2023
