

## Power Duck Tape

Manufactured using advanced tape technology, three layers of material are combined to form an outstanding, heavy duty, fabric reinforced tape.

Tape is weatherproof and uses a new super strong adhesive that sticks firmly to most surfaces, with many uses around the home, garden, garage, workplace etc. and is suitable for interior or exterior use.

- Toughened fabric layer
- Uniquely strong and durable, yet still easy to tear by hand
- 100% weatherproof
- Daylight resistant
- No yellowing
- No peeling off
