**6" USB Desk Fan
Model: PELL0474**

Please read these instructions carefully before use and retain for future reference.

IMPORTANT SAFETY INFORMATION

- This appliance is intended for domestic use only. It should not be used for commercial purposes.
- For indoor use only.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning the use of the appliance in a safe way and understands the hazards involved.
- Children shall not play with this appliance.
- Cleaning and maintenance shall not be made by children without supervision.
- Do not operate this fan after a malfunction or after being dropped or damaged in any way.
- Do not insert anything through the grille when the fan is in use.
- Make sure that the fan is on a stable surface when operating.
- It is recommended to unplug the fan from the USB socket when not in use.

OPERATION

- Connect the USB power plug to a suitable USB power outlet.
- Switch the fan on or off using the power switch on the rear of the fan:
0 = Device off
1 = Fan on
- The tilt angle can be adjusted by tilting the motor assembly.

CLEANING & STORAGE

- Before cleaning, switch the fan off and unplug from the USB supply.
- To clean the fan, use a soft cloth to wipe off any dust. If the fan is very dirty, use a damp cloth and a mild detergent then wipe dry.
- Do not use any chemicals, abrasives or solvents that could damage the fan.
