Premium Single and Double Port Angled Keystone Faceplates

KP45K1

KP45K2

Premium Single and Double Port Angled Keystone Faceplates (KP45K1, KP45K2):
These attractive faceplates are designed for one or two keystones and offer an elegant solution for most structured cabling or multimedia installations.

Features:

- Available in 1 and 2 ports

- Suitable for most keystones which can be used with shuttered faceplate adaptors (not suited for HDMI keystones or speaker connectors, for example)

- Both versions fit standard UK 86x86mm back box

- Angled ports avoid issues with bend radius and prevent strain on patch leads

- Very compact design

- Concealed screws give a neat and tidy look

- Supplied with screws

- Labelling facility
