

2402211509 End of Life for CPTx, C8051F98x/9x and Select C8051F85x/6x MCUs

EOL Issue Date: Feb 21, 2024

Effective Date: Feb 27, 2025

Last Order Date: Aug 27, 2024

PCN Type: Datasheet; Discontinuance

Description of Change

Silicon Labs announces an End of Life (EOL) and Last Time Buy (LTB) for CPTx, C8051F98x/9x and Select C8051F85x/6x MCUs.

Existing customers may place LTB orders per the key dates above and guidelines listed in this EOL form.

All customer orders placed after the EOL Issue Date will be Non-Cancellable and Non-Returnable (NCNR). These orders will need to have a Customer Requested Delivery Date (CRD) before the EOL Effective Date. As of this EOL Issue Date, Silicon Labs will no longer accept customer orders with a CRD beyond the EOL Effective Date.

Note: Silicon Labs will accept customer orders that are received prior to the Last Order Date shown above, but does not guarantee that it will be able to fill all or part of any orders due to limited availability, manufacturing issues or other reasons beyond Silicon Labs' reasonable control. Estimated delivery dates beyond normal lead time should not be considered as a firm acceptance or a guarantee of supply at any time.

If you have questions about this EOL, please contact your Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at www.silabs.com.

Reason for Change

The supplier that provides the QSOP packaging used in these product families has announced an End of Life (EOL) of the QSOP package. No alternate supplier is available for this package type. This impacts Silicon Labs ability to manufacture the QSOP packaged devices.

Additionally, for non-QSOP devices, the forecasted volumes are insufficient to support manufacturing costs.

New datasheet revision with devices that will remain available in C8051F85x/6x family:
C8051F85x/86x v1.3: <https://www.silabs.com/documents/public/data-sheets/C8051F85x-86x.pdf>

Impact on Form, Fit, Function, Quality, Reliability

None.
