

25 x 50 Keystone Angled Faceplate Adaptor

Keystone Angled Euro Faceplate Adaptor 25 x 50 (KA45*pt)

These angled adaptors have been designed for use in standard “Euro” 25 x 50 faceplates which easily connect into industry standard trunking, wall or floor box installations.

Features

- Angled modules minimize issues with bend radius and are suitable for use with shallow backboxes or larger keystones
- Available in bright white and black, for a variety of standard and decorative faceplates, with a stylish matt finish
- Accommodate most keystone jacks including jacks which protrude beyond the faceplate, such as fibre, ‘F’ type and speaker connectors
- Suitable for HDMI connectors
