Addendum for Discontinuance of Select Devices  
Product Notification**

**Date:** April 5, 2024  
**To:** Newark/Farnell PCN

Dear Recipient:

You have been identified for notification of changes for one or more of the devices affected by the change detailed in this notice. You are being notified either because (1) of your recent purchase history of the affected devices or (2) you are listed as being part of GIDEP (Government-Industry Data Exchange Program).

The purpose of this addendum is to communicate a change in the end of life (EOL) status of select devices manufactured in SFAB or DFAB. To best support production needs for the duration of customers' existing project lifecycles, **devices listed starting on page 2 of this notice will remain orderable, and will no longer have a last-time buy date.** Here is what this means for you:

- You may continue to purchase these devices through your usual ordering process.
- There is no longer a last-time buy date for these devices. If the respective PDN has already expired and/or if you have already placed a last-time buy order, you may continue purchasing devices through your usual process beyond the previously stated last-time buy date.
- If you have any questions regarding existing backlog, please contact your local TI sales representative.

We know that semiconductor product longevity and supply continuity are important to you. We hope this update reiterates how important they are to us as well, and our ongoing efforts to meet customer needs. We are proud to serve as your reliable supplier, with inventory and manufacturing strategies that allow us to support your success for decades to come.

For questions regarding this notice, contact your local TI sales representative or our change management team.

Sincerely,

Change Management Team  
SC Business Services
