BRIEF INTRODUCTION

(FRONT)

(BASE)

"Congratulations on your purchase and **Thank You** for choosing the groov-e GV-TW04 JiveBuds True Wireless Stereo Earphones."

 **IMPORTANT SAFETY INFORMATION**

Please read this important information carefully before you use the GV-TW04 Jive Buds True Wireless Earphones and save it for future reference.

1. When not in use for a long period of time please turn off the Earphones and store carefully to avoid any damage.
2. In order to prolong the battery life, please charge every 6 months
3. Please charge the Earphones first if they have been left unused for a long time.
4. The batteries in the Earphones and Charging case are original and please do not attempt to change them yourself.
5. Please keep the Earphones and Charge Case in a dry place.
6. Please keep away from high heat sources to avoid battery blast accidents.
7. Do not play at high volumes for long periods at a time. to avoid potential hearing damage.
8. Do not use the Earphones in a dangerous place or whilst driving.

There is a built-in rechargeable battery inside both Earphones and the charging case, which must not be disassembled. Ensure you have removed the blue charging port protectors from both earphones before the initial charge.

BASIC OPERATIONS

1. To switch the Earphones on, take out the earphones from the charging case, L & R earphone will pair with each other automatically and you will hear a musical tone prompt.

2. To switch the Earphones off, place the earphones into the charging case.

OR

Press the **MFB** for approximately 5 seconds. You will hear a voice prompt confirming **"Power Off"**

3. Whilst receiving a phone call, short press the **MFB** to answer the call, and short press the **MFB** again to hang up. To reject an incoming call, press the **MFB** for 2 seconds.

4. If you wish to open voice assistant (Siri or Google) whilst in standby mode, press the **MFB** for 2 seconds until you hear a **"beep"** sound. This will open your device's default assistant without having to retrieve or unlock it, which will then listen and respond to any voice command. Ensure that a voice assistant is installed on your device.

5. To play/pause music, tap the **MFB** once.

To play next track (Right Earphone) quickly double tap the **MFB**.

To turn Volume up (Right Earphone) quickly triple tap the **MFB**. To play previous track (Left Earphone) quickly double tap the **MFB**.

To turn Volume down (Left Earphone) quickly triple tap the **MFB**.

Please Note: In stereo mode if you switch off one Earphone it will also power off the second.

HOW TO PAIR

1. Open the charging case's cover to about 90 degrees.

2. Then remove both Earphones vertically.

3. The Earphones will pair with each other automatically.

Turn on the Bluetooth of your device and search for GV-TW04, then click to select and connect.

- 5.

Enjoy your music wirelessly in Stereo!

Providing your device/phone is switched on and within pairing distance your earphones will autoconnect to your device the next time you switch them on.

***Please be sure to fully charge the GV-TW04, when you are using them for the first time.**

HOW TO PAIR A SINGLE EARPHONE

Remove one Earphone from the case.

Turn on the Bluetooth of your device and search for **"GV-TW04"**, then click to select and connect.

Note: Whilst in Mono mode the volume down and previous track selection is controlled via your Bluetooth device

CHARGING THE EARPHONES

Place the earphones in their charging slots, ensuring you have removed the blue charging port protectors from both earphones first.

The red indicator lights will turn on and then off when fully charged.

CHARGING THE CASE

Connect the USB end of the charging cable to the USB port of a computer or standard charger.

Then connect the other end to the charging case. When the case is in the charging state, the red indicator light flashes quickly, and turns solid red when the case is fully charged.

Battery Removal/Disposal

This product contains batteries and should not be treated as normal household waste and should be recycled. Please take it to your nearest collection facility or for further details contact your local council or visit www.recycle-more.co.uk.

Batteries contain substances that may be harmful to the environment and human health. Keep out of the reach of children and seek immediate medical help if swallowed.

Never throw batteries into a fire or attempt to open the outer casing.

Should your product develop a fault and your battery needs replacing for further advice on how to safely remove your battery please visit our website at www.groov-e.co.uk

Environment Protection

Waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your Local Authority or retailer for recycling advice.

GUARANTEE

Subject to the conditions stated below, groov-e guarantees this equipment against defects in workmanship or materials of its mechanical and electronic component parts (excluding styling, battery cells, magnetic tapes, re-chargeable batteries, user removeable memory devices, with the exception where the battery is inbuilt into the product) for a period of one year from the date of purchase. This product will be repaired or if necessary replaced free of charge if it has been proven to be defective within the one year warranty period.

- 1) Claims under this guarantee should be made through the authorised dealer/retailer from whom the equipment was purchased. If this is not possible, please contact Groov-e directly.***
- 2) This guarantee is only valid when the equipment is purchased and retained within the United Kingdom and a valid proof of purchase has been provided.***
- 3) This Guarantee Excludes:***
 - (i) All damage caused through accident, misuse, wear and tear, neglect, installation and/or use in a manner inconsistent with technical and safety standards.***
 - (ii) Alterations or adjustments made to equipment***
 - (iii) Loss of data resultant from malfunction of hard drive or other storage device***
 - (iv) Damage caused to any third party device as a result of using the product.***
- 4) No liability under this guarantee shall be incurred:***
 - (i) In respect of damage or loss occurring during transit to or from the purchaser***
 - (ii) Where the serial number plate of the equipment has been removed or altered in any way.***
- 5) Groov-e shall not be liable for consequential damage, loss or injury arising from or in connection with the equipment, excepting only that nothing in this condition shall or shall be construed so as to exclude or restrict liability for negligence.***
- 6) The cost of carriage to and from Groov-e shall be borne by the purchaser.***
- 7) This guarantee is personal to the original purchaser and is not transferable.***
- 8) If the equipment, in respect of which a claim hereunder is made, is found on examination to comply with the published specifications, a test fee may be incurred.***

This guarantee is in addition to and does not in any way affect any statutory or other right of consumer purchasers, including those rights in relation to sections 13 to 15 of the Sale of Goods Act 1979, the Sale and Supply of Goods to Consumer Regulations 2002, The Consumer Rights Act 2015 or the Sale of Goods and Supply of Services Act 1980 (for ROI).

DECLARATION OF CONFORMANCE

groov-e hereby declares that this product is in compliance with the essential requirements and other relevant provisions of the Radio Equipment Directive 2014/53/EU. The complete declaration of conformity can be requested from us at:
