Ref: Product Discontinuation / End of Life Notice

Please be informed that due to an unforeseen commercial issue, our SPDE series of Power Supplies is being discontinued, as per the following time plan and process:

- Orders for SPDE models can still be placed, but only for items that we currently have in stock. (Table 1)
- Once stock is depleted of that specific part number, an alternative will then have to be chosen. (Table 2)
- The SPDE is no longer recommended for new business

The alternative models to the discontinued SPDE are the SPDM, SPDC, and SPD series of Power Supplies.

Should you need any further info, please don't hesitate to contact us.

Regards
