EFB2400A3S-51MH4L	A-A	A-B	EMBED, FlexPIF 2.4GHz, 508MM, MHF4L

2 Description of Changes

- The company name has been officially changed from Laird Connectivity to Ezurio. As a result, all product PCB Silkscreen labeling and packaging that previously displayed the Laird Connectivity logo will now feature the updated Ezurio logo. This change includes, but is not limited to:
 - Product labels
 - Product packaging

3 Reason for Change

- This change is being implemented because the company name has been officially changed from Laird Connectivity to Ezurio.

4 Anticipated Impact of the Change

- Besides change in silkscreen to change the company logo from Laird Connectivity to Ezurio, there are no electrical RF implications for this change. There is no form, fit or functional changes.

5 Method of Identifying the Changed Product

5.1 Product

- Revision level can be found on the silkscreen of the antenna. Location may not always be the same for each antenna.

This is a minor revision change...only major revision levels are printed on the antenna. Part number may also not be present on some models. Antennas with Ezurio logo printed is a sign of this change

5.2 Bag Label

- Manufacturing date on the bag label will be July 2024 or later

6 Factory Effectivity Date

From July 2024 onwards, this will be implemented as a running change into our production planning for these antennas.
