PDN #: PDN24-0036		Rev: 1.0	Issue Date: September 18 th , 2024																																								
EOL title:		Swissbit SD and microSD Cards with Micron B27C																																									
Type of notification:		EOL announcement																																									
Detailed Description: Swissbit hereby announces that we will discontinue all SD and microSD Cards with Micron B27C flash going forward. The products listed below would be phased out of production with following purchase milestones. The background of this discontinuation is the EOL (discontinuation) of Micron B27C NAND flash components at supplier side. The discontinuation affects Micron B27C only, any other Micron generations are not affected. Swissbit recommends Kioxia BiCS5 replacement parts. <table><tr><th>Milestone</th><th>Date</th></tr><tr><td>Official announcement to customer</td><td>18.09.2024</td></tr><tr><td>Last time buy (LTB)</td><td>18.03.2025</td></tr><tr><td>Last time ship (LTS)</td><td>18.12.2025</td></tr></table>				Milestone	Date	Official announcement to customer	18.09.2024	Last time buy (LTB)	18.03.2025	Last time ship (LTS)	18.12.2025
