

Product number

1290643

EAN

4007123593828

DESCRIPTION

- The effective protection against current accidents. Disconnects the active conductors from the mains at lightning speed as soon as residual currents occur.

■ Two-pole disconnection.

■ Suitable for 3G1.05², cable.

TECHNICAL DATA

Type of residual current	Type A	Plug system plug	Type G (GB)
Rated residual current	30 mA	Max. current carrying capacity	13 A

PACKAGING, DIMENSIONS AND WEIGHTS

UP	1	Weight of product (including packaging)	0.24 kg
Weight of product (without packaging)	0.17 kg	Dimension LxWxH (incl. packing)	9 cm x 15 cm x 23.5 cm
Dimension LxWxH (without packing)	8 cm x 5.5 cm x 12.5 cm
