10ft (3m) USB-C Charging Cable, Charge & Sync, 60W (3A) PD, USB 2.0 Laptop Charger Cable - USB C Charging Cord

Product ID: USB2CC3M

This USB-C to USB-C cable makes it easy to charge and sync USB Type-C devices, such as the Samsung Galaxy S8, S8+, Nexus 6P, and 5X phones, using the USB-C port on your computer.

The cable is also compatible with Thunderbolt 3 ports, which means you can charge and sync your USB-C mobile devices using your Thunderbolt 3 laptop.

The 3-meter cable gives you the extra length you need to overcome distance restrictions and stay connected. You can charge and sync your USB-C mobile device, in almost any environment. Even while you're taking notes in a boardroom, catching up on emails in your hotel room, or reading in a coffee shop, your mobile device will reach your computer or wall charger more comfortably.

With up to 3A of power output, you can use this USB Type-C cable to power a USB-C laptop, such as your Apple MacBook or Chromebook Pixel. Simply connect the cable to your USB-C laptop and to a USB-C wall charger.

Replace the USB-C cable that came with your device, or keep one as a spare while you're traveling, so that all of your devices will be ready to use whenever you need them while you're on the road.

Certifications, Reports and Compatibility

Applications

• Charge and sync your USB-C mobile digital devices from the USB-C port on your laptop

• Charge your USB-C devices using a USB-C wall charger

Features

• Offers 3 meters in cable length for convenient and flexible positioning of your USB-C mobile devices

• Convenient, reversible USB-C connector makes every connection easy

• Guaranteed reliability with our lifetime warranty

• Please note that this USB 2.0 cable does not support any video; For connecting or extending USB-C Displays/Monitors we recommend our USB-C 3.0 cables (e.g. USB315CC2M)
