Key Features

- Supports SATA and SATA power cables **with locking latch design**
- **Industry leading 5 year warranty** with exceptional customer support

Model Number	MB998SP-B
Color	Black
Host Interface	8 x 7pin SATA
Drive Fit	8 x 2.5" SATA III / SAS 3.0 SSD or HDD (7mm thickness)
Drive Bay	Single 5.25" half height device bay
Transfer Rate	SATA up to 6Gbps / SAS up to 12Gbps (depending on hard drive speed)
Insert & Extract connection Via	Direct SATA hard drive connection
Structure	Full metal
Device Power	2 x 15pin SATA power port
Drive Cooling	Dual 40mm rear cooling fan Metal heat dispersion
Power Indicator	Solid green LED
HDD Access Indicator	Flashing amber LED
Dimension (L x W x H)	142.4 x 146 x 41.3 mm
Product Net Weight	869g

- **Heavy duty full metal construction with commercially designed** for Medical & Military systems, Media servers, and IPCs, approved & used by Tier 1 companies
- **Perfect for rugged applications** and complies to flammability requirements
- **Fits 8 x 7mm 2.5" SATA / SAS hard drives or SSD's in a single 5.25" bay** for high performance RAID applications
- **Dual 40mm fans** keep your drives from overheating
- **Requires only 2 x 15pin power connectors to power all 8 bays**
- **Drive label plugs** to keep track of your RAID drives
- **Anti-Vibration Technology (AVT)** - creates a safe environment for hard drives or SSDs
- **Active Power Technology (APT)** - individual led & cooling fan only powers up if there is a drive installed in the bay
- **Eagle-hook lock system** keeps drives secured within the enclosure
- **Removable tray system** for easy maintenance
- **Supports SATA 6Gbps / SAS 12 Gpbs and hot swap**
