

15-Jan-2025

**PCN #:** PCN-24-229609

**Subject :** AMPSEAL 8-Position Vertical and Right-Angle Header Counterbore Addition

**Description of Change :** The Industrial and Commercial Transportation business unit of TE Connectivity is making a change to the mounting hole geometry on all 8-position vertical and right-angle AMPSEAL headers for the part number(s) listed below. A counterbore will be added to each of the mounting holes. These PNs are TE proprietary designs, therefore considered catalog/general market product. This change was originally proposed in PCN E-20-017681 but was never implemented. This PCN serves as a reminder and continuation of PCN E-20-017681. No additional changes are being implemented. PPAP requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved. PPAP requests in response to PCN E-20-017681 do not need to be resubmitted. Product drawing(s) are affected.

**Reason for Change:** Dear Customer, we hereby inform you of this change. The change is necessary to improve mounting capabilities. The change does not impact performance. **IMPORTANT:** The current and previous revisions of these parts can be used interchangeably in the field. The change(s) are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.

**Key Dates :**

**Contact By Date:**18-Apr-2025

**Implementation Date:**18-Apr-2025

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
