TE Connectivity

Product Change Notification: P-25-027599

PCN Date: 31-JAN-25

Customer: Newark Electronics (167839)

Location: Chicago

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Heat Shrinkable solder sleeves

Description of Changes

We are pleased to inform you that TE Connectivity will be introducing a new solder sleeves assembly machine to meet additional demand. This upgrade is part of our ongoing commitment to enhancing operational efficiency and maintaining the highest standards of quality.

Reason for Changes:

Product improvement. Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about the introduction of a new assembly machine on/or around June 2025. The implementation of this new equipment is executed by following a strict validation process, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new assembly machine will be validated and operate under a certified quality management system according to the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance
