

Honeywell Announces Obsolescence of Selected SKUs

Honeywell is announcing obsolescence of Humidity sensor part numbers from its Honeywell Healthcare portfolio. This announcement represents a full discontinuation of the impacted part numbers. The discontinuation is triggered by obsolescence of some critical raw materials in the near future, limiting Honeywell's ability to continue manufacturing these product lines.

This notification is being provided to give you a final opportunity to order such products. Please note:

- All orders placed pursuant to this notice will be non-cancellable.
- Prices of H1H4XXX and H1H5XXX part numbers included in the last-time buy notice will be 40% higher than prices for these products have been previously, reflecting the increase in Honeywell's cost to obtain raw materials from our supplier.
- Prices of H1H6XXX, H1H7XXX and H1H8XXX part numbers included in the last-time buy notice will be 20% higher than prices for these products have been previously, reflecting the increase in Honeywell's cost to obtain raw materials from our supplier.

Please engage with your Honeywell representative to obtain updated pricing for these part numbers.

Key dates:

- May 31, 2025: Last day to place last-time buy orders for the below-listed parts. Orders beyond this date may not be accepted.
- November 30, 2025: Latest delivery date. All product orders must be requested for delivery on or before this date.

There may be risk of raw material non-availability for some part numbers due to supplier phase outs. Accordingly, Honeywell's ability to fulfil such last-time buy orders may be limited and subject to cancellation, if Honeywell determines its inability to fulfil such orders. It is recommended that orders be placed promptly to improve the likelihood of fulfillment. Please refer to the Timeline of Events shown below for more details.

AFFECTED PART NUMBERS

The affected part numbers are listed in the Appendix attached hereto.

REGIONS AFFECTED

- Asia Pacific and India Sub Continent (APAC)
- Europe, Middle East, Africa (EMEA)
- Greater China (GrCH)
- Latin America (LATAM)
- North America (NA)

CONTACT INFORMATION

Honeywell is committed to providing you with a superior level of customer service. Please contact your Honeywell representative for additional information regarding this communication.

- **Product marketing:**
 - North America and EMEA: Peter Reichardt, Lead Customer Marketing Specialist, peter.reichardt@honeywell.com
 - China: Henrik Lin, Sr Offering Mgmt Specialist, Henrik.Lin@Honeywell.com
 - APAC: Hideo Nomura, Sr. Customer Marketing Manager, hideo.nomura@honeywell.com
- **Application engineering:**
 - Global: Martin Murray, Application Engineer, martin.murray@honeywell.com

WARRANTY/REMEDY

Subject to the following conditions, Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship during the applicable warranty period. Honeywell's standard product warranty applies unless agreed to otherwise by Honeywell in writing; please refer to your order acknowledgement or consult your local sales office for specific warranty details. If warranted goods are returned to Honeywell during the period of coverage, Honeywell will repair or replace, at its option, without charge, those items that Honeywell, in its sole discretion, finds defective. **Notwithstanding the foregoing, in the event of a product end-of-life or obsolescence, or inability of Honeywell to manufacture or source materials or component parts for a product, for whatever reason, and/or any associated last-time buy in relation to a product (an "Obsolescence"), Honeywell shall engage in commercially reasonable efforts to repair or replace products in accordance with the terms of its standard warranty, but in no event shall it be liable if it is unable to do so due to the Obsolescence. The foregoing is buyer's sole remedy and is in lieu of all other warranties, expressed or implied, including those of merchantability and fitness for a particular purpose. In no event shall Honeywell be liable for consequential, special, or indirect damages.**
