DESCRIPTION OF CHANGE:

Due to an improvement of the production capability, Würth Elektronik eiSos will change the packaging from carton case to carton tray. The new carton will change the "single packaging quantity" (SPQ) and the "carton packaging quantity" (CPQ). The data sheet will be adjusted accordingly due to a technical, dimensional correction.

There will be no change in form, fit, function, quality or reliability of the product.

The new revision of the affected part numbers will be sent out after the previous revision is out of stock (according to FIFO - first-in, first-out).

The preliminary datasheets of the affected part numbers will be available on the website after the PCN date.
