Issue Number: 1056

Subject: Material ID change notice for 3M™ Miniature Delta Ribbon Connector Non-Shielded Shell Straight Type

Effective immediately, 3M will be changing the material ID(SKU) of a part of 3M™ Miniature Delta Ribbon Connector Non-Shielded Shell Straight Type, the reason for the change is a Country Of Origin change from Taiwan to Japan. There is no specification change with this material ID(SKU) change. Any materials below with inventory will ship against the current sku, and you will be notified of any order changes.

Product	Current		New	
	Material ID	SKU	Material ID	SKU
10320-52A0-008	7000007383	JE150180360	7010684041	JE150466231

For drawings & specifications on the impacted products, please refer to TS-2825

What actions do you need to take?

Please inform your customers if customer places order with material ID(SKU). All orders will need to be placed with the new material ID.

Thank you for your continued partnership with 3M.
