

PRO-ELEC

**DESK LAMP DIMMABLE
CCT CHANGING WHITE 7W
Model PELL0501**

Please read these instructions carefully before use and retain for future reference.

IMPORTANT SAFETY INFORMATION

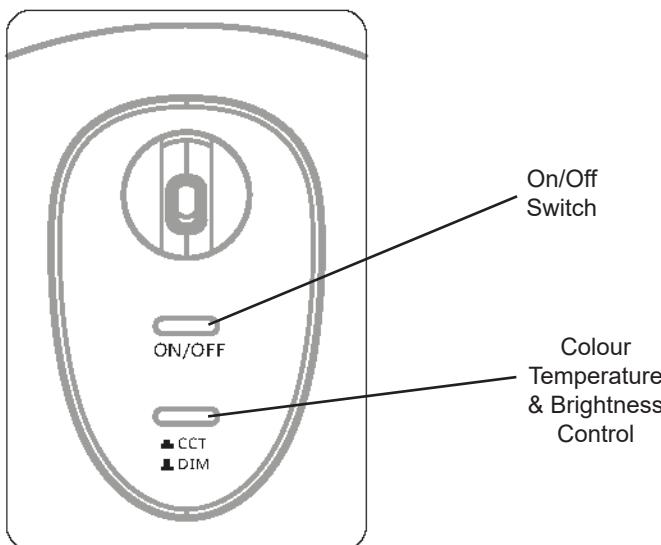

- Check that the voltage on the rating label matches the mains voltage supply before connecting the PSU to the mains.
- This product is for indoor use only.
- The lamp contains non-replaceable LED's and so at the end of their life the lamp should be replaced.
- Do not look directly into the LED's as it may damage your eyesight.
- Always disconnect from the mains supply when not in use.
- Place on a flat level surface before use.

OPERATION

- Connect the PSU DC output to the socket on the lamp and connect the PSU to the mains and turn on the power.
- Touch the ON/OFF switch momentarily to turn the lamp on or off.

NOTE: When powering on again the initial LED state is set at whatever colour temperature and brightness when last powered off.

- Short press the CCT/DIM button to switch between colour modes.
- Three modes are available:-
 1. Warm light (3000K)
 2. Day light (4000K)
 3. Cool light (6500K)
- Press and hold the CCT/DIM button to start the stepless dimming function.
- Release the button when the light output is at the desired level.

SPECIFICATIONS

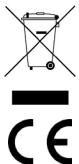

- This product contains a light source of energy efficiency class E.

Power	7W
Colour Temperature	3000K / 4000K / 6500K (warm light/day light/cool light)
Lumens	550lm (Max)
PSU Input Voltage	220-240V~50/60Hz
PSU Output Voltage	DC 12V 500mA
Classification	Class II for complete lamp

- The height of the lamp can be adjusted over a range of 148mm by extending or compressing the main tube.

CLEANING AND MAINTENANCE

- Clean the product with a soft, dry cloth only.
- Do not use any solvents or abrasive chemical cleaners.

INFORMATION ON WASTE DISPOSAL FOR CONSUMERS OF ELECTRICAL & ELECTRONIC EQUIPMENT.

When this product has reached the end of its life it must be treated as Waste Electrical & Electronic Equipment (WEEE). Any WEEE marked products must not be mixed with general household waste, but kept separate for the treatment, recovery and recycling of the materials used. Contact your local authority for details of recycling schemes in your area.
