

USB 3.2 Type C 5m Module and 2m Input Cable

Brand: **connektgear**
Code: 20-0018
Box Qty: 15

Packaging Specifications

- Packaging Type: Bag
- Packaging Dimensions: 210 x 180 x 50mm (W x H x D)
- Packaging Material: Bio Materials
- Packaging Weight: 0.0035KG
- Product & Packaging Weight: 0.26KG
- Carton Dimensions: 350 x 260 x 240mm (W x H x D)
- Carton Net Weight: 7.7KG
- Carton Gross Weight: 8.2KG
- Country of Origin: PR CHINA
- Commodity Code: 8544429090

Why do you need it?

Our USB type C module and input cable set, supports 10 Gbps (Gigabits per second) data transfer. The high speed is useful for rapidly transferring large files and handling demanding peripherals. We include both the input and output cables within this set. This ensures a complete solution that eliminates potential signal degradation caused by incompatible third-party cabling, guaranteeing optimal performance right out of the box.

What does it do?

This module set allows up to 60W power delivery making it suitable for extending the connection to interact with the touchscreen, its functionality and high-powered peripherals.

Product Details

- Snap in modular design (5m cable length)
- 2m USB 3.2 type C input cable
- Robust & versatile construction
- Integrated anti-pullout cable retention
- Superior long-term connection durability
- 60W power delivery
- Supports 4K @ 60Hz
