5m Single Gang HDMI/USB Type C AV Cable Kit with 2m Input Cables

Brand: **connekt**gear
Code: 20-1050/8KHDMIUSBC
Box Qty: 12

Why do you need it?

Our 5m, single gang AV Kits include one snap-in HDMI module and one snap-in USB 3.1 type C module.

They are designed to deliver professional quality sound and visuals across all display units. Whether you're presenting at work, producing content, live streaming, or enhancing classroom learning, our kits provide a reliable, high-performance solution.

What does it do?

Every kit includes all necessary modules, faceplates, backboxes, and cables to seamlessly connect to display units, ensuring quick installation and consistent performance.

A key feature of our kits is the staggered arrangement of cable exits, meaning the termination points are offset rather than aligned providing an easier installation.
