Product Description: (Text limited to 120 characters)

ENETSEAL 2POS PLUG Manufacturing Location Change

General Description of Changes

In addition to and referencing PCN-26-267414; The Industrial and Commercial Transportation business unit of TE Connectivity is adding assembly for Part Number 2292906 from TE factory located in the USA to TE factory located in China and making a material change to secondary lock and CPA components. These PNs are TE proprietary designs, therefore considered catalog/general market product. PPAP and/or sample requests must be submitted within 14 days (or per contract with TE) of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request.

Reason for Changes:

Dear Customer, we hereby inform you of the manufacturing location addition because we are expanding operations to our TE Plant in China to meet customer demand and will be phased in gradually. IMPORTANT: Product from the new supplier are the same as the current supplier and does not impact product performance. Shipments from current and new supplier may be mixed.
