TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)

SGI1.25&1.5 Header Assembly Right Angle Natural and Black Color.

General Description of Changes

Dear customer, please be informed that an alternate high temperature nylon material will be added for the Header housings. The new materials have been fully qualified, following a strict procedure to ensure quality, ability to supply, and ensuring no impact on product performance. The insulation housing color may differ slightly from the current product, this does not impact product performance.

Reason for Changes:

To ensure a stable and reliable supply of materials, allowing us to meet demand effectively and maintain our commitment to delivering products on a timely basis.
