

PRODUCT CHANGE NOTICE (PCN)

PCN Date: March 27, 2026

PCN Type: Manufacturing Location Change

Product Category: Electrical Components – Fuse Holders

Change Summary

Marathon Special Products is updating the **country of manufacture** for the products listed in this notice. Manufacturing for these items will transition from **China to Thailand**.

This change is part of an ongoing initiative to strengthen manufacturing continuity and enhance long-term supply chain resilience.

There will be **no impact** on product form, fit, function, performance, materials, ratings, certifications, or part numbers because of this change.

Impact Assessment

- This is a **running change** and does not require depletion of existing inventory prior to shipment of product manufactured in Thailand. No inventory segregation or special handling is required
- Products manufactured in Thailand will ship **without interruption** to supply

Form / Fit / Function	No Change
Electrical Ratings	No Change
Materials	No Change
Agency Approvals (UL/CSA/etc.)	No Change
Part Numbers	No Change
Quality & Reliability	No Change

Estimated Implementation Date

Products manufactured in Thailand may begin shipping **on or after April 1, 2026**.
Actual implementation timing may vary based on existing inventory levels and distribution flow.

Customer Impact

No customer action is required. Existing approvals, specifications, and application suitability remain unchanged.
