To Our Customers

Notice of Product Model Discontinuation

We sincerely appreciate your continued support and cooperation.

We will discontinue the product listed below as part of our product lineup streamlining.

Production Discontinued Model	Last Order Date	Last Shipping Date	Successor Model
Indicator Light (IO-Link compatible)			
NE-ILXB-M	28 th December 2026	26 th February 2027	None

- Special-order models related to the above product will also be discontinued.
- Please note that we will stop accepting orders as of the Last Order Date.
- The Last Shipping Date refers to the planned shipping deadline for orders received by the Last Order Date.
- Depending on order volume, inventory status, and component procurement conditions during the order period, there may be unavoidable changes such as an earlier order cutoff, changes to the schedule, or extended lead times. We appreciate your understanding in advance.
